Dear Minister Regan:

**Re: Pacific Fisheries Resource Conservation Council Meeting with you and Ministers Anderson and Owen**

I would like to thank you for our teleconference meeting held Friday, May 7<sup>th</sup>. Everyone very much appreciated the occasion to exchange views and information. I also thank you in advance for agreeing to hold a follow-up, in person, meeting in the near future. We will be in contact with Mr. Brian Groos of the Minister's Regional Office to arrange this. This meeting will allow an opportunity to further explore means to define and explain Canada's Pacific salmon strategy and to increase public acceptance of same.

Again, with appreciation.

Sincerely yours,

Hon. John A. Fraser  
Chairman
